"And we know that all things God works for the good of those who love him, who have been called according to His purpose." Romans 8:28

I heard a story the other day and then saw the very same thing played out in the Weekday School Devotion time during the Pandemic. We hear of what we perceive to be a major stumbling block to our plans that turn out for the better all the time! But what or who do we accredit that to? Is it coincidence or God's providence?

A story was told of a Christian summer camp where a work crew was making repairs to the interior home of two elderly sisters living on the property. While moving the washing machine, to get to the wall behind, a water line broke and began flooding the area. The workers could not find the shutoff valve and cut the electricity because of exposed wiring. One of the sisters was on oxygen therapy, powered by electricity, so paramedics were called. The paramedics provided the needed oxygen saving her life. Examining the oxygen therapy machine, it was discovered that the machine had been malfunctioning for a while prior to the flooding. A brand-new machine was obtained even before the paramedics left the scene providing confidence for future health.

As for the plumbing, the shutoff valve was located, and repairs were made. But in their repairs, substandard plumbing was discovered and like sub-standards were discovered all over the rest of the camp. Hearing about both the need for backup electrical sources and upgraded plumbing, an anonymous donor paid for the needed repairs for the entire camp. Coincidence or Providence?

During this pandemic, many changes had to be made for the health and welfare of the community at this church. First Presbyterian Church building, including the Weekday School, had to be shut down for months before it was deemed safe to return. I was asked to resume Chapel time devotions with the children and was pleased to see all the

precautions of facemasks and social distancing taking place. Sanitation of areas was spotless and immediate and new precautions were put into place to brace for the upcoming cold and flu seasons. I was told that the teachers and administrators plan to continue these practices even after the pandemic.

We can all be a part of a bigger plan that God has for us. God is big enough to orchestrate blessing out of crisis. Put your trust where it belongs, and know that, "God works for the good of those who love him".

In God's Grace,

Pastor Mark

Church is Reopening!!!

This Sunday, **October 4**, we will have our first in-person worship service since March!
We hope to see you there at **10:00 am!**

If you plan to attend, please be sure and familiarize yourself with our re-opening guidelines which have been mailed out to everyone. There will be no in-person offerings for children or youth at this time and we will be continuing **LIVE** streaming our church services, at **10:00 am** on Sundays on our church Facebook page.

sermon by Pastor Mark Hinchcliff

The Heavenly Prize of Knowing Christ

based upon Philippians 3:7-14 and Psalm 19

**We are excited at FPC to reopen the sanctuary for
worship!**

Please park in the lot near this entrance and maintain a parking space between each car. The elevator will not be used unless there is an emergency. Only the bathrooms across from the office will be open.

Guidelines for Reopening Our Worship Facility

(FPC COVID-19 Response Team approved 6/9; session approved 7/6/20)

Plan to arrive early - by 9:45 for screening by an usher/screener.

Below are the guidelines that we will follow as we begin our in-person services. Please read over them so you will know what to expect the first time you attend.

Everyone will enter and exit through the narthex doors (main entrance only) where they will be screened before entering the sanctuary.

1. Any person not feeling well, sick or has been exposed to the COVID 19 virus within the past 14 days should not come inside the church.
2. A thorough cleaning with CDC approved disinfectant of frequently contacted surfaces will be conducted prior to and following each worship service.
3. Hand sanitizer will be available at the entrance/exit and must be used upon entering and exiting the building.
4. Congregants are to use the main front doors of the sanctuary to enter and exit through the narthex. All other doors will be locked. Upon entering the sanctuary, congregants should move to the designated pews filling in the pews at the front (nearest the chancel area) of the sanctuary first. After the service has concluded, congregants should exit from the rear first.
5. Services in the sanctuary require everyone to wear a face covering (over your nose and mouth) at all times and be screened with a digital, infrared thermometer before entering the building. Bring your own mask. A limited number of disposable masks will be available.
6. The elevator will not be available. Avoid using the bathroom. However, the bathroom across from the church office will be available in emergencies. Services will be shorter.
7. Disposable gloves are available for congregants upon request and for those counting money or handling bulletins. Washing hands (for at least 20 seconds) is recommended after touching anything.
8. Social distancing guidelines (Executive Order 61) require a minimum of 6 feet between individuals at all times, with the exception of family members. Seating will be marked (on the pews) to maintain physical distancing.
9. No item, (collection, plate, communion elements, etc.) are to be passed between attendees. Offerings may be placed in one of the marked containers immediately outside sanctuary doors in narthex. Offerings are encouraged to be made by electronic means - online and through automatic bank transfer.

10. Congregants are asked to follow along or read softly as the responses, prayers, and statements are led by the worship leaders.
11. Hymnals and bibles have been removed; however, congregants may bring their own personal or electronic bible.
12. Congregants are to bring an electronic file or hard copy of the bulletin with them to the service. Hard copies of the bulletin must be removed upon exiting.
13. While the sanctuary congregation may enjoy live musical accompaniment, those viewing from home are encouraged to sing along.
14. Greet each other with a nod or wave instead of handshakes, or hugs.
15. Live and recorded services will continue to be available via Facebook and by DVD.
16. The nursery will not be available. Children will not come forward for children's worship until further notice. Children should remain with parents at all times.

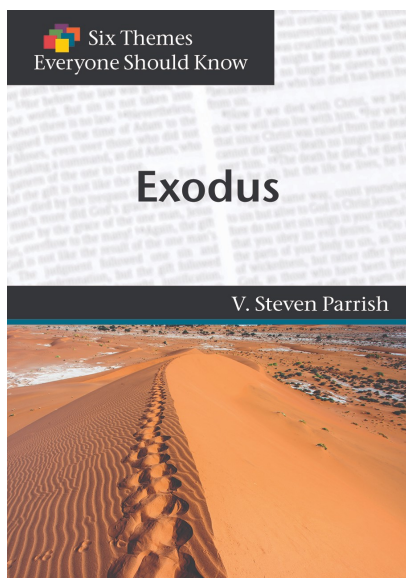

Help Needed at Pumpkin Patch

*We will need help to man the patch on the First Presbyterian Church Day which is **October 17th** from 9-5. You can work a 2-hour interval. Please contact Tracy at 409-330-0847 or tracy.hinchcliff@gracenetworkmhc.org if you are interested in helping out at the most cheerful place of the fall! :)*

Happy Pumpkins!

Adult Sunday School

Join us for the next adult Sunday school class beginning **August 23**.

(excerpt from the PCUSA bookstore webpage)

"The story of the Exodus has emboldened oppressed people for centuries. In it, God empowers human striving for freedom. Steven Parrish introduces six themes that reveal the character of God. God listened to the captives' suffering and responded. Through the wilderness, God sustained the people with food, water, and law. God promised to be present to the people.

And God is merciful and gracious, as demonstrated in the golden calf episode. This volume includes material for participants and guides for leading all six sessions.”

The class meets Sundays at 9:00 AM by Zoom. Contact Denny Casey d.a.casey@comcast.net for a book and to get your Zoom invite.

Happy Birthday in October!

Grace Network

Hi, Friends

As the Director of Grace Network, I wanted to give you an update what we are doing for our community. There are so many of you that support Grace in many ways and we are grateful. Each month this summer from the time we had to close down due to ofCovid in March, we have been phasing in our services gradually to create the safest environment we could possibly have in order to protect our clients and our volunteers. We are now open 5 days a week serving clients by appointment and as of this week, we have reopened our food pantry. During the summer, we were part of the food box distribution program sponsored by the Harvest Foundation and the Henry County Food Bank, but for September, we decided it was safe enough and we had enough volunteers willing to come back that we were able to open our food pantry back up with our regular service there. We are also working with the City of Martinsville to help those facing cutoffs or evictions due to the pandemic with funds granted to us by the Cares Act from the state. We have been able to help over 300 households with over \$44,000 in assistance either from the Cares Act or our funds from the community through Grace Network just this summer. We will continue to work with our community partners to help our clients find resources as we move to better times. The unemployment rate for Martinsville is back up to over 15% which is worse than the rest of Virginia at about 9%. So we continue to struggle in our community, but I for one am very proud of the resources that are available in helping those in need.

Your contributions to our pantry will be most important as we move forward and we continue to be grateful for the monetary support from First Presbyterian Church. I wanted to let you know that your donations are being used well and wisely and are changing the lives of those suffering. The assigned item for FPC moving into October

will be Peanut Butter. We appreciate your donations. If you have any questions, please don't hesitate in contacting me.

Blessings, Tracy.

Please remember

Peanut Butter

Please stay safe, stay healthy

The new food item for First Presbyterian Church for the 4th quarter is **18 oz. peanut butter**. Please consider donating extra when you are able to get out and about as your donations will become more important than ever.

Hygiene Items - We are always in need of these items!

SEPTEMBER Dish Detergent, Deodorant, Laundry Detergent

OCTOBER Toilet Paper, Feminine Products, Deodorant

NOVEMBER Bath Soap, Toilet Paper, Toothpaste

DECEMBER Dish Detergent, Deodorant, Laundry Detergent

**Items may be brought to church but please call the office to make sure Rita is there. Alternatively, you may drop off at Grace Network, Monday - Friday, 9-2 PM*

Blessings, Tracy

A Note from the the Editor

Although regular church services have been cancelled and we are no longer meeting in person, I hope we all try to stay in touch with one another using any possible medium. Phone calls, face time, emails, etc. It is important that we look after one another during these difficult times and it's good to know we are not alone. While there are no regular happenings to report on, I would like to send out Steeple Views on a weekly basis so please feel free to share any news or updates with me and I will do my best to include them in the newsletter. skirbycwj@gmail.com or 276 806-9709.
