## Congregational Care Committee W.H.O. (We Help Others) Volunteer Sign-Up Sheet

The W.H.O. (We Help Others) ministry is one of care and nurture. When a member is ill or has special needs, this ministry will work to help in meeting those needs. When you become aware that a member has been hospitalized, is sick at home, needs transportation to the doctor or needs help in carrying out other chores (light housekeeping, grocery shopping, light yard work, etc.) please contact Barbara Tatum (276-956-3985) or Virginia Truitt (276-634-5648 or mbeachgalva@gmail.com).

The Congregational Care Committee is in the process of updating our W.H.O. volunteer list.

Please place your initials beside each service that represents an area you would like to serve. Return your completed volunteer sign-up sheet to the Church Office.
